What do I do about potential exposure to COVID-19?

Am I subject to a government instruction about physical isolation? (travel restriction or infrastructure closure)

- NO

Have I been in contact with someone who has been diagnosed with COVID-19, is awaiting a test result, or I think has been infected?

- YES

What sort of contact was it? Casual or Close Contact

- Casual

A casual contact is someone who has been face to face for less than 15 minutes, or been in the same closed space for less than 2 hours, as a person who has tested positive for COVID-19 when that person was infectious.

- Close

A close contact is someone who has been face to face for at least 15 minutes, or been in the same closed space for at least 2 hours, as someone who has tested positive for the COVID-19 when that person was infectious.
